

Calfrac's Application for Approval of Recapitalization Transaction Heard in Court Today; Court Reserves Decision

October 29, 2020 4:00 PM EDT

CALGARY, AB, Oct. 29, 2020 /CNW/ - Calfrac Well Services Ltd. ("**Calfrac**" or the "**Company**") (TSX: CFW) confirms that a final order hearing was held yesterday, in the Court of Queen's Bench of Alberta, to consider the approval of its plan of arrangement, under the *Canada Business Corporations Act*.

If approved, the final order will allow for the implementation of the Company's Amended Recapitalization Transaction upon the satisfaction or waiver of the other conditions to closing, as previously disclosed.

As anticipated, the Court has reserved its decision and scheduled a follow-up hearing for Friday, October 30, 2020. Calfrac will provide a further update upon the release of the Court's decision.

Calfrac's common shares are publicly traded on the Toronto Stock Exchange under the trading symbol "CFW". Calfrac provides specialized oilfield services to exploration and production companies designed to increase the production of hydrocarbons from wells drilled throughout western Canada, the United States, Argentina and Russia.

This press release contains forward-looking statements and forward-looking information within the meaning of applicable securities laws. The use of any of the words "expect", "anticipate", "continue", "estimate", "may", "will", "project", "should", "believe", "plans", "intends" and similar expressions are intended to identify forward-looking information or statements. More particularly and without limitation, this press release contains forward-looking statements and information relating to the implementation of the proposed Amended Recapitalization Transaction, the timing of the Court's decision to approve the plan of arrangement and Calfrac's expectations and intentions with respect to the foregoing. These forward-looking statements and information are based on certain key expectations and assumptions made by Calfrac in light of its experience and perception of historical trends, current conditions and expected future developments as well as other factors it believes are appropriate in the circumstances, including, but not limited to, that the Amended Recapitalization Transaction will be completed as proposed. Although Calfrac believes that the expectations and assumptions on which such forward-looking statements and information are based are reasonable, undue reliance should not be placed on the forward-looking statements and information as Calfrac cannot give any assurance that they will prove to be correct. Since forward-looking statements and information address future events and conditions, by their very nature they involve inherent risks and uncertainties. Actual results could differ materially from those currently anticipated due to a number of factors and risks. These include, but are not limited to, risks associated with: Calfrac's ability to continue to manage the effect of the COVID-19 pandemic on its operations; actions taken by Wilks Brothers, LLC; decisions by Canadian securities regulators and/or the courts; default under the Company's credit facilities and/or the Company's senior secured notes due to a breach of covenants therein; failure to reach any additional agreements with the Company's lenders; the impact of events of defaults in respect of other material contracts of the Company, including but not limited to, cross-defaults resulting in acceleration of amounts payable thereunder or the termination of such agreements; failure to receive any applicable regulatory approvals in respect of the Amended Recapitalization Transaction; global economic conditions; along with those risk and uncertainties identified under the heading "Risk Factors" and elsewhere in the Management Information Circular dated August 17, 2020, as supplemented by the Material Change Report dated September 25, 2020, and the Company's annual information form dated March 10, 2020, each as filed on SEDAR at www.sedar.com.

The forward-looking statements and information contained in this press release are made as of the date hereof and Calfrac does not undertake any obligation to update publicly or revise any forward-looking statements or information, whether as a result of new information, future events or otherwise, unless so required by applicable securities laws. This press release is not an offer of securities for sale in the United States. Securities may not be offered or sold in the United States absent an exemption from registration under the Securities Act of 1933.
